Office Use:
 Part I Approved
 Part I Denied

Date for Part II to be submitted by:

Breeding Pair Application Form, Part II(B)

The requirements for Part II of this application are:

1. You must meet the requirements for permission to breed an infused litter with the ALAA,
2. Part I(a) and Part I(b) of the Infusion Application requirements must be met,
3. Essay attached outlining reasons for Parent Breed infusion pairing,
4. Photos standing both front and side (unedited) of proposed sire and dam,
5. Permanent identification,
6. Pedigree/Ancestry,

This Infusion process is currently open to Cockapoos. **NOTE:** Any breeder who breeds a parent breed infusion without completing Part I and Part II of the Parent Breed Infusion Application will have the litter rejected for registration & inclusion in the Australian Labradoodle breed and will be subject to disciplinary actions as outlined in the ALAA Late Fees, Fines & Suspensions.

 Required Health Testing

The information and vitals for the above listed dog are correct and true to the best of my knowledge. I agree that if Part 1 (a & b) and Part II of my Parent Breed Application is approved that I will complete Part III prior to puppies 12th week birthday. I also agree to desex all offspring from this pairing that are not approved for use in the Australian Labradoodle breed by the ALAA. I agree and accept the rules and regulations the ALAA has set forth and understand that non-compliance in any area will result in disciplinary action and fines.
